KEN WOLSKI, RN, MPA

Executive Director of the Coalition for Medical Marijuana - New Jersey, Registered Nurse, Activist

Ken ran for U.S. Senator from New Jersey as the nominee of the Green Party of New Jersey. He is a very knowledgeable, long-time Cannabis advocate that can be seen all over our NJ Cannabis Community supporting the NJ Medical and recreational cannabis movements. He is a strong supporter of home cultivation for NJ MMP patients.

JAY LASSITER

**Writer, Political Consultant,
Social Justice Advocate**

Jay Lassiter is a writer, political consultant and social justice advocate. He's also a recovering drug user and the host/author of New Jersey 101.5's "Heroin Uncut: The Truth About the Crisis," a blunt, honest look about New Jersey's struggle with opioid addiction. New episodes of Heroin Uncut are released every Monday at nj1015.com/heroinuncut.

MARC P. PRESS

**Member, Cole Schotz. P.C., Corporate, Finance
& Business Transactions Group**

Members of the cannabis community turn to Marc for counsel on entity selection and formation, management and capital structures, raising capital through privately issued equity and debt and merger and consolidation transactions. He also advises individual and private equity investors in existing and early stage cannabis companies. He is a member of New Jersey CannaBusiness Association and CannaGather NJ and NY.
